

Partner with the USA Martial Arts 2026 Competition Team

USA Martial Arts is dedicated to developing champions — not just in competition, but in character, discipline, and perseverance. Our students train year-round under the guidance of experienced instructors, competing at regional and national levels in Taekwondo.

A veteran- and family-owned business serving the Phoenix community since 1992, USA Martial Arts leads a program that emphasizes excellence both on and off the mat.

The 2026 Competition Team

The USA Martial Arts 2026 Competition Team represents the best of what our school has to offer. Our athletes have earned their spots through dedication, skill, and countless hours of training.

This season, we are competing at the **AAU Taekwondo Arizona State Championships** (May 2026), then at the **AAU Taekwondo National Championships** in Fort Lauderdale, FL (July 2026). This is the national stage, where we'll compete against the best in the country. Getting there requires travel, equipment, entry fees, and intensive training.

Corporate Sponsorship

Competing at the state and national level means specialized training, travel, entry fees, and gear. Local business sponsors make it possible for our team to focus on what they do best — training hard and competing at their highest level.

What We're Offering

Sponsors are recognized at two levels:

Silver — \$500

- Your business flyer posted at USA Martial Arts from May through July
- One social media shoutout on our Facebook page (facebook.com/usamartialartspnx)

Gold — \$1,000

- Your business flyer posted at USA Martial Arts from May through July
- Three social media shoutouts on our Facebook page — one each in May, June, and July

Where Your Money Goes

Every dollar raised goes directly toward reducing competition costs for our student athletes — tournament entry fees, travel expenses, and other competition costs each team member is responsible for. No portion is retained by USA Martial Arts.

Who Will See Your Name

USA Martial Arts is a vibrant martial arts school with active students and families coming through the doors every week. The families in our community are your neighbors — they're homeowners, parents, and local customers who choose local businesses.

The USA Martial Arts Facebook page has over **4,500 followers** — social media shoutouts represent a genuine opportunity to put your business in front of a large, engaged local audience.

A flyer on our wall and a shoutout to our audience isn't a logo on a website nobody reads. It's real visibility with real people in your backyard.
